Hello, my name is Clara Althoen. I will be a Sophomore for the 2024-2025 school year. I have been with the Dexter Drama Club since I was eligible to join. My first show was The Little Mermaid and I instantly knew that this is where I belong. I've been doing Theater since 1st Grade and even before that, I remember loving the aspect of being a performer. No matter what production it is, or what role I play, I have always been happy to be a part of Theater. DDC productions that I've been involved with include: The Little Mermaid (Ensemble), Footloose (Hair Crew), 3D 2022 (Itches & Meredith), MOTO (Makeup Crew), 3D 2023 (Little Iris & Mother), Disney's Frozen Jr., (Oaken #4 & Ensemble), Pippin (Fosse Ensemble & Old Man). The Dexter Drama Club has truly changed my life. To be a part of such a big community of loving, supportive, and caring people is such an honor. I am so incredibly grateful to have this amazing family, and I would like to dedicate myself to it. I have always looked up to the Officers. I think that they are such a crucial part of the Dexter Drama Club. They represent leadership and hard work and they make newcomers feel welcomed. Dedication and love for our club is what it takes to be an Officer. To be given the chance to continue such a huge legacy is a giant responsibility. I am not only willing, but I am excited to have the opportunity of becoming an Officer. .

I am also applying for Sergeant at Arms for the 2024-2025 season. I believe that I am a good fit for the position of Sergeant at Arms because I love to organize things. Whether it be events or spirit weeks, I think that I would be great at organizing and determining what activities to do, and what clothing to wear. Of course, this is not all the Sergeant at Arms does. I would also be great at being a supportive person to look to and a leader who helps others. Being Sergeant at Arms is a great responsibility. I may be young for this position, but I know that I am a leader who can take on the responsibility and authority of Sergeant at Arms.
